

RE: General Certificate of Conformity

7/25/2016

- 1.) **Identification of the product covered.** Charlie's Chalk Dust 15ml black coated and clear bottles.

- 2.) **Citation to each CPSC.** Our products have been evaluated using the Consumer Product Safety Commission's (CPSC) protocols and standards. The test results show clearly that the Dropper Bottle fulfills the requirements for Poison Prevention Packaging as required by the current Code of Federal Regulations (C.F.R.) Title 16, Part 1700 for senior adult use with resealing effectiveness. The protocols for the evaluation of packaging for poison prevention (current CFR Title 16, Part 1700) were strictly adhered to for this study, unless otherwise documented, using the amended senior adult test which includes children attempting to open containers previously closed by a senior adult, providing a senior adult use with resealing effectiveness result.

- 3.) **Name of importer and/or US certifying company.** Charlie's Chalk Dust, located at 1007 Brioso Dr. Costa Mesa, CA 92627, imports their bottles and droppers used for manufacturing e-liquid. Bitner Associates, Inc. is the domestic company used to certify and test our bottles and droppers for safety regulations. Bitner Associates, Inc is located at 1001 Forest Trail Sugar Grove, Ill 60554.

- 4.) **Name of individual holding test results.** Ryan Stump, COO of Charlie's Chalk Dust, is in charge of maintaining the test results for bottles and droppers used in manufacturing our e-liquid. He can be reached by phone at (949).531.6855 or email at Ryan@charlieschalkdust.com.

- 5.) **Date and place where manufactured.** Charlie's Chalk Dust 15ml bottles and droppers are manufactured domestically in New York. The dropper and bottle were both made in January 2015.
- 6.) **Testing dates and where tests were performed.** Testing began June 2015; Testing ended July 2015.
- 7.) **Third party lab CPSC.** Bitner Associates, Inc.- 1001 Forest Trail Sugar Grove, Ill 60554.
